ID number	TR_002_1
Name	Unable to edit text to a card previously created using the desktop version from the mobile app.
Reporter	Mohamed Clio
Submit date	23/04/21
Summary	Unable to change/edit any card even if you were the creator of the card if it were created from the desk version but can easily edit the cards created using the mobile app
Steps to reproduce	<ol style="list-style-type: none"> 1.Open trello app with a logged-in user that has both cards created on the desktop and mobile app. 2.Navigate to an active workspace. 3.Choose an existing Board. 4.Click on a card you created earlier using the desktop version. 5.Observe.
Expected result	You should be able to interact with the card normally as you would in the desktop version
Actual result	You're unable to edit any text in an existing card

Name	Unable to React to a card previously created using the desktop version from the mobile app.
Reporter	Mohamed Clio
Submit date	23/04/21
Summary	Unable to react to any card even if you were the creator of the card if it were created from the desk version but can easily edit the cards created using the mobile app
Steps to reproduce	<ol style="list-style-type: none"> 1.Open trello app with a logged-in user that has both cards created on the desktop and mobile app. 2.Navigate to an active workspace. 3.Choose an existing Board. 4.Click on a card you created earlier using the desktop version. 5.Observe.
Expected result	You should be able to interact with the card normally as you would in the desktop version
Actual result	You're unable to react to an existing card

Screenshot	 <p>The screenshot shows a mobile app interface on a dark background. At the top, the status bar displays the time 12:55, battery level at 39%, and various system icons. Below the status bar is a navigation bar with a back arrow on the left and a three-dot menu on the right. The main content area features a title 'Not available test data' in white. Below the title is a subtitle 'Care Sprint 10 (11 April 2021) in list Our Kryptonites' followed by a sad face emoji. A section header 'ACTIVITY' is followed by a list item: a purple circle with 'MC' next to the text 'Mohamed Clio added this card to Our Kryptonites' and a sad face emoji. Below this is the timestamp 'Apr 12 at 17:06'. At the bottom of the screen, there is a purple circle with 'MC' on the left and a paperclip icon on the right.</p>
